		Document: internal

## LETTER OF REQUEST FOR PROPOSAL

To whom it may concerns  
**Empresa Federal de Energía S.A.**  
**Present**

Having examined the requirements of your request for proposal, the undersigned hereby acknowledge receipt and offer to supply the goods/services required at the amount and conditions to be determined according to the attached proposal.

We understand and accept that:

1. EFESA may exercise any of its rights established in the Request for Proposals documents at any time.
2. The statements, opinions, projections, forecasts, or other information contained in the Request for Proposals documents may change. Neither the submission of the Request for Proposals documents nor the acceptance of any offer nor any agreement made subsequent to the Request for Proposals process shall imply a statement or commitment by EFESA that there have been no material changes in the information contained in the Request for Proposal documents. Such material changes will be promptly communicated by EFESA.
3. The Request for Proposals documents are only a summary of EFESA's requirements and are not intended to be an exhaustive description of them.
4. Neither EFESA nor its respective directors, employees, shareholders, affiliated companies, controlled entities, controlling entities, or those under common control shall be liable in any way to any person or entity for any loss, damage, cost, or expense of any kind arising in any way or in connection with the submission of the proposal and/or with any opinion, projection, forecast, or other statements, express or implied, contained or omitted in the Request for Proposals documents.

If our proposal is accepted, we commit to commence and complete the delivery of all items detailed in the proposal within the stipulated time frame.

We understand that EFESA is not obligated to accept any proposal it may receive, and that the proposed conditions will only become binding after final negotiations on the proposed technical and financial components are concluded and a written agreement reflecting such negotiations is signed.
